Wealth | Purpose | Harmony

Dear MCTC Participants,

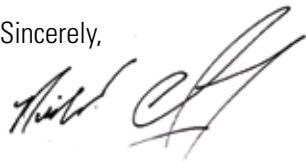

We are so happy to have you be a part of the Michael Chang Tennis Classic this year! We hope you will not only truly enjoy your time with us but that you will also walk away feeling blessed because of your experience and having made a friend or two. Our dedicated staff and willing volunteers have worked extremely hard in trying to again make this year's event 1st class!

Besides the Chang Family Foundation, we have another wonderful beneficiary this year in the Prince of Peace Children's Home in Tianjin, China. This orphanage has won numerous awards for its care and housing of children with special needs. And because of its success, it has become a model and training ground for other orphanages all across China! I personally have been a big supporter of this orphanage for many years after having visited in 2004 and we are so excited to have them be our main beneficiary this year!

I know everyone is looking forward to the competition at this year's event but please do take some time to watch some great tennis, make some friends, enjoy the atmosphere and don't forget to pick up your player bag! We have had really great player bags the past couple of years that included a personalized tennis bag tag and unfortunately, some people forget or don't pick them up. It's one of the unique aspects of playing in our tournament so be sure to stop by Newport Beach Tennis Club to get this year's player bag!

I hope you have a wonderful tournament and wish all of you the best of luck this weekend! Play well, have fun and know that all of our efforts are going toward making a difference in people's lives while touching hearts too! Take good care and we'll see you on the courts!

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Chang', written over a light blue circular background.

Prince of Peace Children's Home and Children Rehabilitation Center was built to provide a loving home for orphaned children from local children's welfare institutes.

We are dedicated to serving children with special needs.

Currently, all children at the Home, ranging from six months to thirteen years old, suffer from various congenital illnesses.

Your participation in the Michael Chang Tennis Classic 2013 helps change the lives of more than 110 orphans with special needs at Prince of Peace Children's Home (POPCH) in Wuqing, Tianjin, China.

POPCH is a special place because of what we do. This unique joint project between the Chinese government and a U.S. foundation is the first officially foreign run orphanage in China. It is funded by the POP's Foundation of USA and managed by World Vision International, China (a world-renowned humanitarian organization).

The 49,000 square feet project was built on an 1.5 acre compound. The facility can accommodate up to 120 children and provide rehabilitation services to them through the different types of therapy rooms, including sensory stimulation, water therapy, and physical therapy.

During the past ten years of operation, POPCH has earned numerous awards at the local, regional, and national levels. We were also appointed as the training hub in the areas of special education, rehabilitation and social work services by Ministry of Civil Affairs Management College starting March 2010. We have served a total of 169 children through the 288 volunteers and visitors from overseas over the years. 32 children have already been adopted by families in the United States, Belgium, Sweden, Spain, The Netherlands, and even domestically in China since 2007.

These children might not be "perfect" in the eyes of many, but it is a blessing for us to serve them and to share with you the joy that flows from their hearts. We would love for you to continue to partner with us in helping these adorable children. The lives that we change drive us, and it is your gifts that enable us.

Best wishes of success,

Ken Yeung, Founder, Prince of Peace Children's Home, POP's Foundation

July, 2013

To All Participants,

On behalf of TriGuard Management, LLC, we are pleased to welcome all the players, families, sponsors and volunteers to the 2013 Michael Chang Tennis Classic. Michael is an incredible servant leader, and it is our privilege to be able to partner with him and Amber on this amazing charity tennis event.

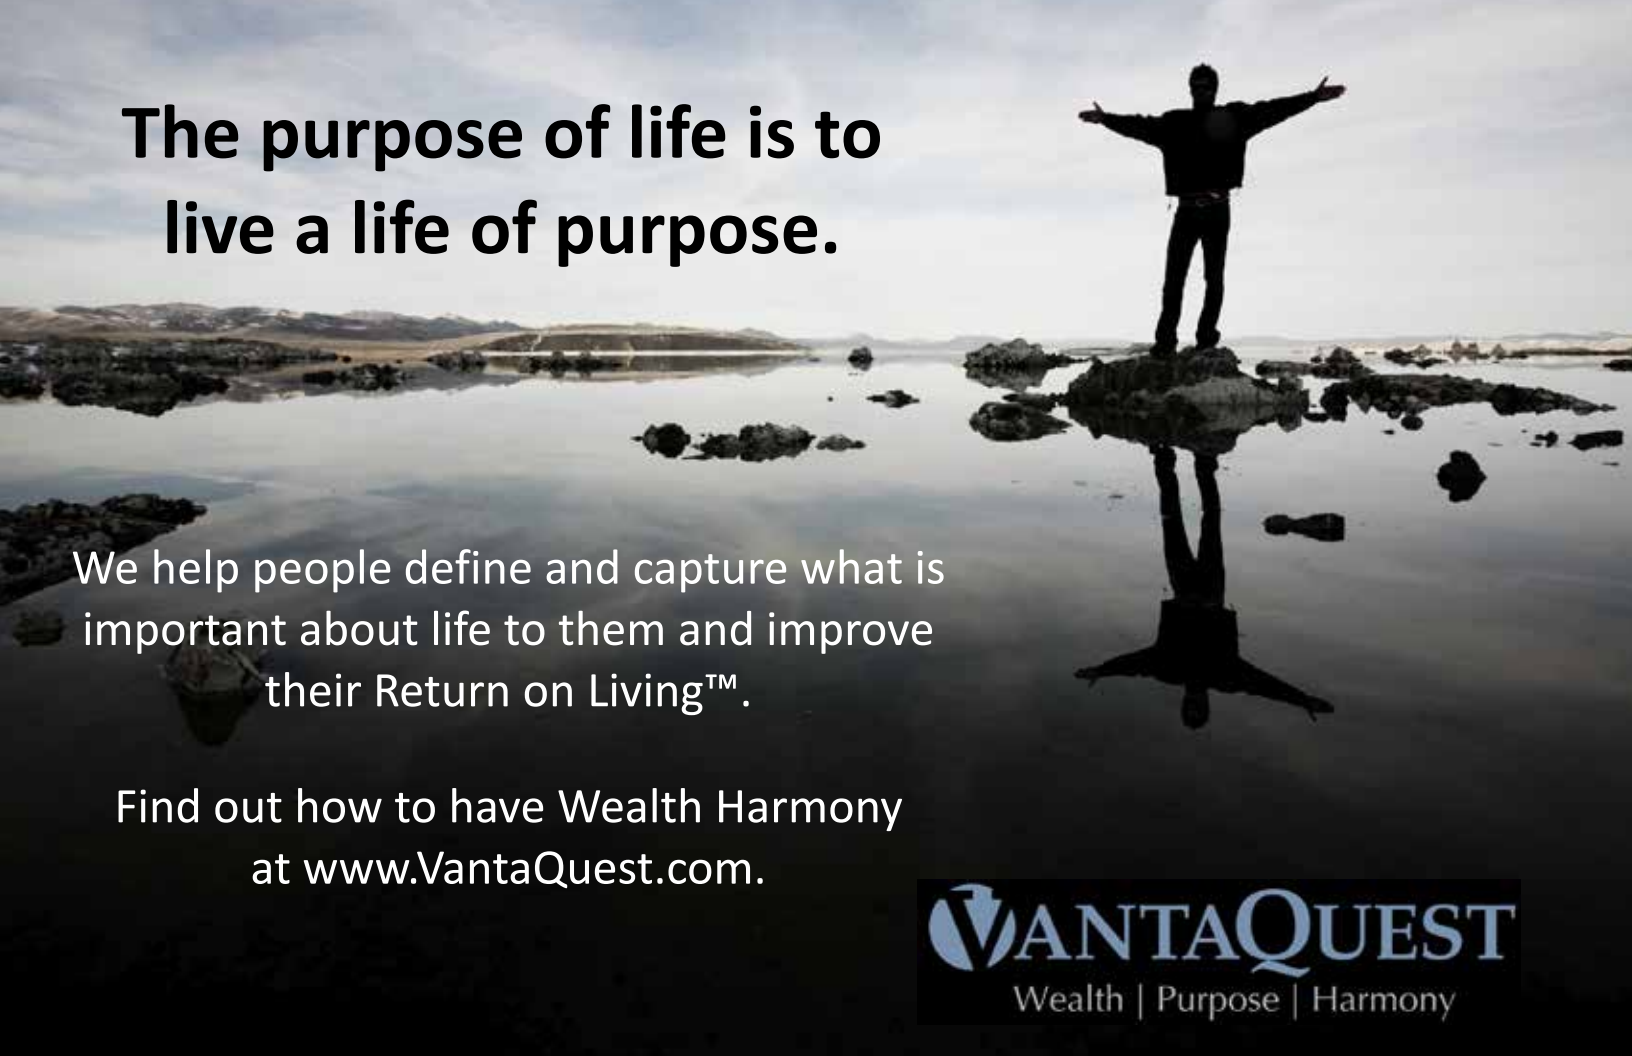

Bringing the local tennis community together for a competitive and fun tournament is very exciting. The Newport Beach Tennis Club provides an idyllic setting for the event. Michael is a great role model both on and off the court for his admirable sportsmanship.

This year's primary beneficiary is the Prince of Peace Children's Home in Tianjin, China. This orphanage takes care of children with special needs and rehabilitation. We are blessed to be able to help these wonderful kids.

A special thank you to all the volunteers, and we'll see all of you on the courts!

Sincerely,

Michael Chang

Michael Te Pei Chang (born February 22, 1972, in Hoboken, New Jersey) played on the ATP Tour for 16 years and is best remembered for becoming the youngest

ever male player to win a Grand Slam singles title when he won the 1989 French Open at the tender age of 17. He has numerous youngest ever records including becoming the youngest male ever to win a main draw match at the US Open (15 yrs of age) as well as the youngest ever to rank in the top 5. He finished in the Top 10 of the ATP Tour world rankings for seven years, peaking at world # 2. Chang was inducted into the International Tennis Hall of Fame in 2008. A devout Christian, Chang's faith was first brought to the spotlight during the 1989 French Open when he declared "I thank the Lord Jesus Christ, because without Him, I am nothing," after winning the championship. Chang and his family established the Chang Family Foundation in 1999, dedicated to integrating tennis, family and Christian faith.

Carl Chang

Carl Chang (born February 13, 1969, in Hoboken, New Jersey) is the older brother and coach of tennis star Michael Chang.

Carl was a talented junior and collegiate tennis player who recorded wins over tennis greats Pete Sampras and Andre Agassi during their younger years. Carl attended the University of California, Berkeley on a full tennis scholarship and graduated with a business degree in 1991. Following his graduation, Carl briefly played on the professional ATP Tour before becoming Michael's coach — a pivotal move that would propel his younger brother to play some of his best years on tour. Bringing Michael to two Grand Slam finals and a career high #2 in the world, Carl was named 'Coach of the Year' by Tennis magazine in 1996. Carl now serves as the CEO of Redwood Real Estate Partners and Pielogy.

John Norton

John Norton helped bring collegiate tennis back to Concordia University in 2006 after a 15-year absence. While serving as the head coach of the Men's and

Women's teams, Norton led his 2008 men's team to a No. 8 NAIA rating and has produced four All-GSAC honorees, including three on the men's side. In 1994, Norton coached nationally and sectionally ranked juniors at the Marbella Tennis Academy at the Marbella Country Club in San Juan Capistrano. In 1998, he founded Norton Tennis, a tennis management company that runs seasonal tennis camps and after-school tennis programs. Norton Tennis has developed an extensive program for Ladera Ranch, including private instruction, after-school programs and seasonal camps. Norton previously served as the varsity coach at St. Margaret's Episcopal School in San Juan Capistrano from 1998-2000. John is currently a professor at Concordia and serves as MCTC's Clinic Director.
